

Erasmus+

Internationale Dimension

The ERASMUS+ programme / International Dimension grants scholarships to individuals from around the world to come and study or do research at almost all academic departments and disciplines offered at the Friedrich Schiller University Jena. For the duration of the study or research stay abroad, scholarship holders also do not need to pay any fees at their host university. Applications for a stay as a visiting student or visiting researcher can be submitted by students in a Bachelors or Masters programme and by doctoral candidates from partner universities in [Russia](#) and by academic and administrative staff from these universities to do teaching or training here in Jena.

Deadlines:

Target group: [Students \(Bachelors, Masters, PhD\)](#) Target group: [Staff \(including PhD\)](#)

For the summer semester 2016: 15 Dec 2016

For the winter semester 2016/17: 15 May 2016

Applications can be submitted at all times.
